

MOM - 10th April 2025, Thursday

Attendees - Stuti Nainwal, Ramachandra Anirudh Vemulapalli

Agenda: Finalization of the Project Proposal, Discussion of APIs, And Further Steps in the Project and also about the new teammate.

1. **APIs Selection:** Narrowed the list to EventBrite and Ticketmaster with the major preference for EventBrite.
2. **Draft Proposal:** Made changes to the initial version based on the description given on Canvas for Milestone 1.
3. **Further Steps:** Discussed making Tasks on JIRA based on everyone's expertise, which will be further discussed on Sunday or Monday.
4. **Database Selection:** Decided to move with the local system with MySQL2.
5. With no response from the new teammate, we have decided to mail the course instructor for further steps if he doesn't respond by Sunday.
